Dear TAMILISCHER VEREIN DER STUDIERENDEN,

On behalf of the Adayaalam Centre for Policy Research (ACPR) I would like to thank you for your generous donation of 820,074.03 LKR. Your donation will go a long way in supporting our work and ensuring our sustainability. All of us at ACPR appreciate the work TaVs has put into fundraising for ACPR over the last year and really appreciate the awareness you have been raising as well.

As you know ACPR's mission is to be an active contributor of informed and research-based activism within the Tamil polity, to report on public policy issues that are of special relevance to the North-East of Sri Lanka, to create internal capacity for autonomy and self-government in the North-East and to contribute critically towards justice, accountability and sustainable peace in Sri Lanka. We rely on donations like yours in order to maintain our independence and focus on issues that are truly impacting the Tamil polity of the North-East.

Your generous support will help us increase our capacity this year by hiring and training additional staff, which will also enable our sustainability.

Thank you again for your support and please find attached to this letter of acknowledgment a receipt of your donation.

Sincerely,

Dharsha Jegatheeswaran
Research Director
Adayaalam Centre for Policy Research
